Cost Per Month rates illustrate net monthly cost over the term of the contract, not payment plan options.

Payment plans can be arranged on the following basis:

DEPOSIT: 20% of the value of the contract.

MONTHLY PAYMENTS: Balance of the contract divided by number of months of the contract. Monthly payments must be made by credit card on file.

For example, a 5 year contract with a value of \$9000: \$1800 deposit and \$120/month. Some conditions apply, subject to change without notice.
